INTRODUCTION

Silhouettes - Pets

CUTTING PRACTICE 'THE SMALLER, THE HARDER'

Print out all the sizes of your chosen animal in silhouette, including the full-page version. Start with the largest animal and line up all sizes one after another from biggest to smallest.

UNIQUE DESIGN

Print out the outline of your chosen animal and color it how you like with colored pencils, markers/felt-tip pens or watercolors. You can also print it on colored paper or decorate it with stickers. Then cut it out and glue it on construction paper or into a collage.

COLORFUL ANIMALS

Print out the outlines of your chosen animals on colored printing paper and cut them out.

COLORING PAGE

Print out the outline of your chosen animal and decorate the entire sheet of paper. You can paint it, print it on colored or patterned paper, pin-prick it, or decorate it with stickers.
