HOW TO MAKE IT

Sun Catcher - Large

1

Print out two copies of your chosen template of the large sun catchers (pages 7-14) on heavy printing paper. The black lines are still easy to see on black paper.

2

You can also print the templates on white paper and paint or color the silhouettes black with watercolors or markers. Cut out the pieces.

3

Cut a piece of tracing paper to roughly the size of the shape and glue the outline on.

4

Cut or tear tissue paper into small pieces.

5

Glue the pieces onto the tracing paper.

6

Glue the second outline you cut out exactly on top of the first one.

7

Cut off the excess tracing paper.

8

If they're included in your template, cut out the eyes, nose and mouth and glue them on... WOW!
