HOW TO MAKE IT

Leaf Wallpaper

VERSION 1

1

Print out as many copies of the background coloring sheet (page 4) as you like and color them in. You can use crayons, markers, colored pencils, or paint them with watercolors.

2

Print out the single leaves coloring sheets (pages 21-28) and color them as well.

3

Next, cut out the background sheets and glue them together using the tabs to form a large collage. Cut off the excess tabs.

4

Cut out the single leaves and glue them randomly spaced onto the collage.

VERSION 2

1

Print out the number of leaves with background coloring sheets (pages 5-20) that you like. Color or paint them.

2

Next, cut them out and glue them together using the tabs to form a large collage. Cut off the excess tabs.
