HOW TO MAKE IT

Pop-Up Calendar

Print out pages 5-7 on printing paper. Carefully cut out all 6 cards.

Score along the dotted gray lines. Fold the card in half. The animal should be visible from the outside.

Carefully only cut along the light gray lines and not the black or dotted lines!

Open the card. Color the animal and its surroundings. Fold the card again, this time with the image on the inside.

Push the head from behind so it pops out and press the card firmly together. Do steps 2-5 for all the cards.

Glue the cards together in the correct order to form a fanned calendar.
