HOW TO DO IT

Split Pictures

1

Choose a split-picture template and print it out on white or colored paper. Cut out the template and then cut out the numbered parts following the lines.

2

Lay down the parts you cut out in order (starting with 1 or A1) on a piece of paper, with the printed side facing down.

TIP FOR SPLIT-PICTURE BEGINNERS!

3

One by one, apply glue to the printed reverse of the parts and glue them on.

Starting with 1 or A1, cut out and glue on one part at a time before cutting out the next element.
