OVERVIEW

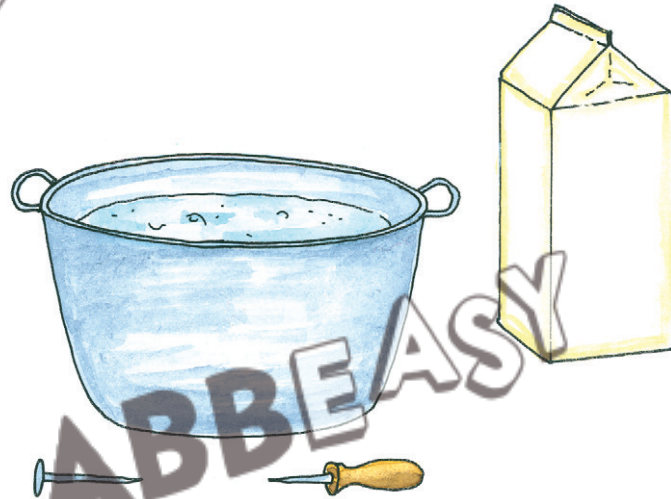

Milk Carton Ideas

SHOWER SURPRISE

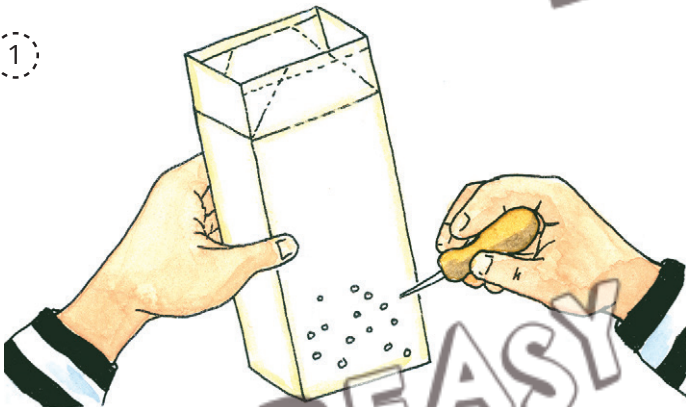

MATERIALS

1 rinsed milk carton, a bowl, a thick needle or nail

HOW TO MAKE IT

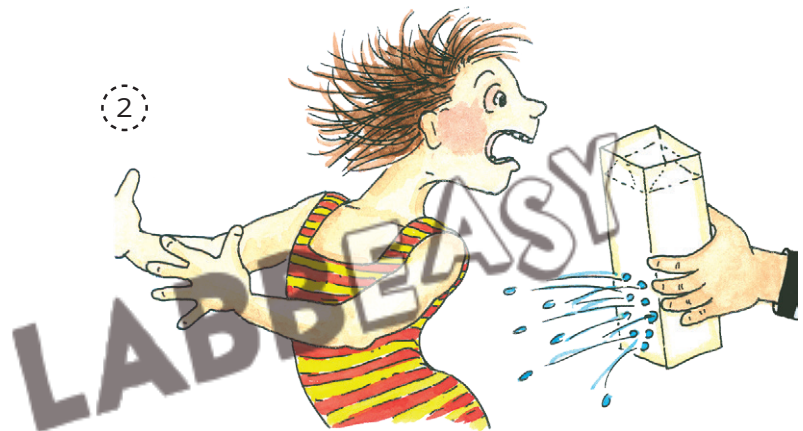

1

Poke multiple holes in one side of the carton with something sharp, like a thick nail. In a bowl of water, fill the carton to the top with water.

In summer, a cold shower can be very refreshing- especially if you 'surprise' someone with it. Only use outside!

2

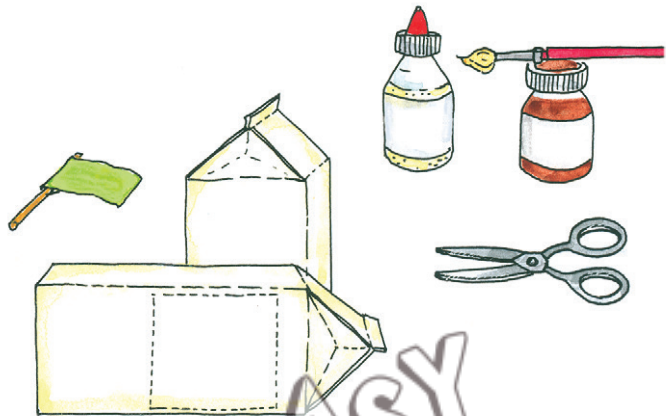

Now you have to be quick with it so that you reach your target in time. Be careful to keep the side with the holes away from yourself!

NOAH'S ARK

MATERIALS

1 small and 1 large rinsed milk carton (1 quart + 1 pint), acrylic paint, scissors, glue, a paintbrush and water glass, a small flag, some cardboard

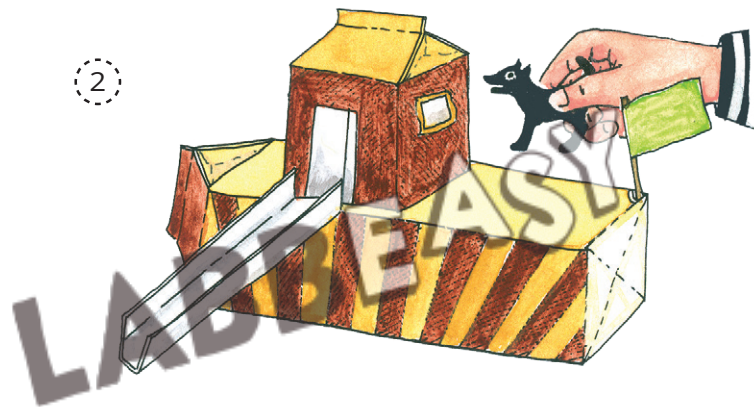

HOW TO MAKE IT

1

Lay the large milk carton on its side and cut out an opening big enough for the small milk carton to fit in. Glue the small carton inside the large one.

2

Paint all sides of Noah's Ark with acrylic paint. Fold a small ramp for the animals out of some cardboard, label the flag and attach it to the ark. Once you pull the ramp in, the journey can begin!
