ABOUT THE ARTIST AND HIS PAINTING

Pablo Picasso - Harlequin

After Pablo Picasso "Harlequin" from 1915, oil on canvas
72.2 x 41.4 in / 183.5 x 105.1 cm, Museum of Modern Art, New York

Pablo Picasso (1881-1973)

Pablo Picasso was a Spanish painter, drawer, graphic artist and sculptor and is one of the most important artists of the 20th century. He created over 15,000 works, including drawings, graphics, oil paintings, sculptures and ceramics. His works showcase an incredible variety of artistic and avant-garde forms of expression, ranging from classical to abstract. Together with Georges Braque, he founded cubism, setting a turning point in art and marking the beginning of abstract painting and artistic abstraction.

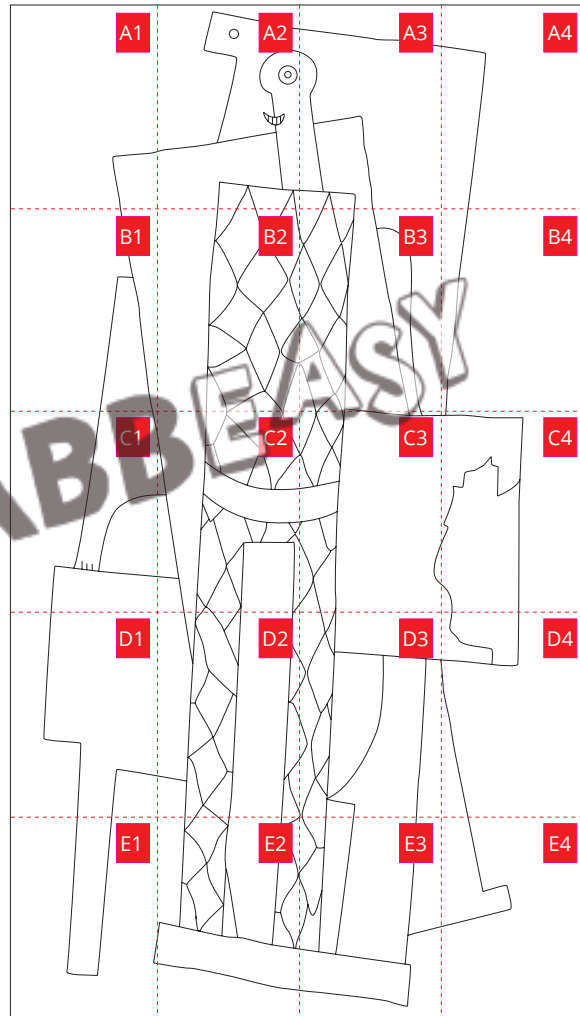

“Harlequin”

(1915, oil on canvas, 72.2 x 41.4 in / 183.5 x 105.1 cm)

The painting “Harlequin” is a typical example of cubist painting. The people, objects and space depicted were “disassembled” by Picasso into individual parts and then painted with clear outlines, fewer dimensions and vibrant colors. The overlapping of the surfaces suggests a physicality without losing the two-dimensionality.

HOW TO MAKE IT

Poster after Harlequin by Pablo Picasso

1 Print pages 8-27 on white printing paper.

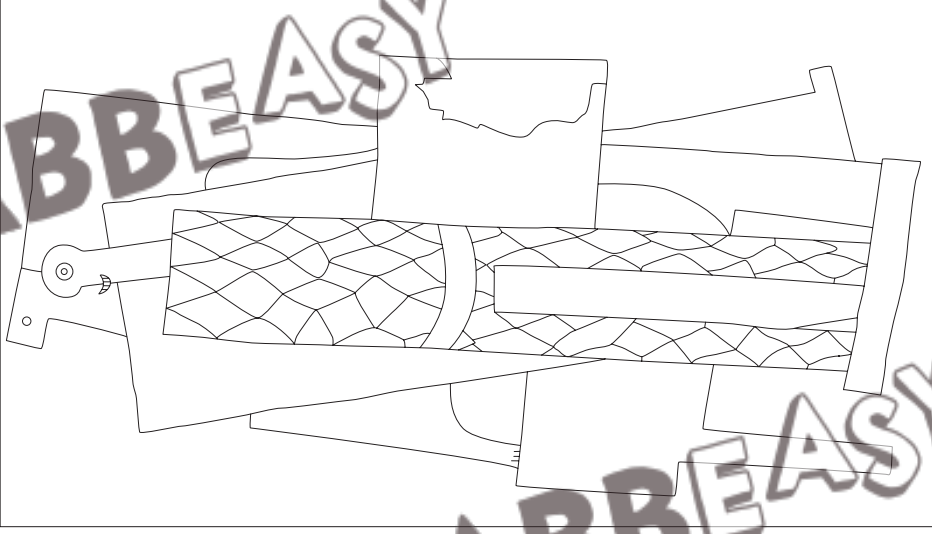

2 Color or paint the individual sheets according to the template or your own imagination. Make sure that the dotted lines around the outside remain visible.

3 Once dry, cut out the colored sheets along the dotted lines and sort them- each letter in a separate pile. Then sort them by number so that 1 is on top and 4 is on the bottom.

4 Glue all 'A' sheets together. To do so, apply glue to the long tab on the right side of sheet A1 and glue sheet A2 on top of it so that its left edge is aligned with the solid line. Glue A3 to A2 and A4 to A3. Repeat this process with rows B, C, D and E.

5 Now glue row B's upper edge to the tab on the lower edge of row A. Then glue row C to row B, row D to row C and row E to row D. Your poster is finished!
