## HOW TO MAKE IT

# Snowman Mobile

1

Decide what templates you would like to use for your mobile: the snowman, snowwoman, or both and whether the snowflakes will be cotton, paper, or both.

2

Print out your chosen templates. Color the front and back of the cloud and cut them out.

3

Staple the front and back of the cloud together along the edges. Leave a gap for stuffing.

4

Fill the cloud with crumpled scrap paper or newspaper and staple the gap closed.

5

Glue the front and back of the snowman, snowwoman and snowflakes together, securing the mobile string between the two pieces. Staple the cotton snowflakes to the mobile string.

6

Tie the strings of the snowman, snowwoman and snowflakes to the cloud and hang up your finished mobile... WOW!
