1

Print the templates out on heavy white printing paper. If you like, you can also color in the design.

2

Carefully cut the templates along the solid lines.

3

Place the templates on a felt or cutting mat and using an awl pierce holes where the dots appear on the design.

4

Score and fold the template along the dotted line.

5

Put glue on the glueing tabs and stick the lantern together.

6

And that's your finished lantern...
