HOW TO DO IT

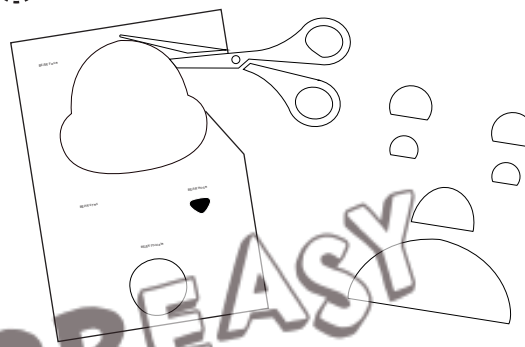

Wobbly-eyed Animals

1

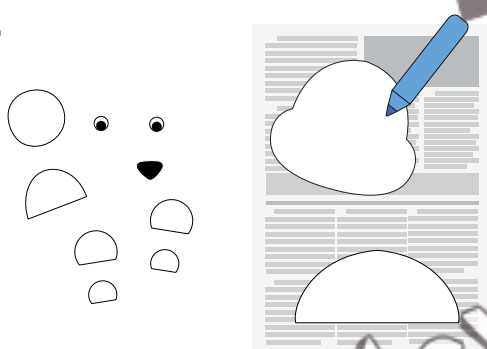

Choose a motif and print it out on heavy white printing paper.

2

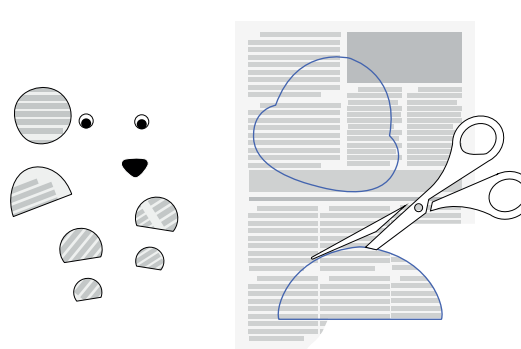

Carefully cut out all parts of the pattern.

3

Lay the desired parts of the pattern onto a piece of newspaper and draw around them with a pen or pencil. Not all of the parts have to be copied onto newspaper – this will give you a nice contrast.

4

Carefully cut out the parts.

5

Using a complete wobbly-eyed animal template as a reference, stick all the parts onto a sheet of colored paper and draw on the mouth with a black felt-tip pen.

6

Instead of making wobbly eyes out of paper, you can stick on real wobbly eyes (Ø 1/2 inch / 10-15 mm)!
