HOW TO MAKE IT

Folded Letters

1

Choose a letter template and print it out on white or colored paper.

2

Optional: You can also print the side of the paper with the template on patterned paper.

3

Cut out the letter template.

4

Now you can write your letter on the blank side. If you like, you can also color the other side.

5

Flip the letter so that the patterned side is facing down. Fold the left and right sections inward along the dotted lines.

6

Fold the lower and upper sections inward as well. Slot the two ends into one another so that the letter stays closed.
