EXAMPLES & TECHNIQUES I

Cut, Color, and Glue - Easter

MY FIRST CRAFT PROJECT - EASTER

These templates can be decorated using multiple craft techniques. Create colorful patterns by either painting or glueing on scraps of paper, such as construction paper, tissue paper or tracing paper.

COLORFUL MOSAIC

Cut tissue paper into small mosaic tiles and glue them on the template with a glue stick. The pieces may overlap. Let them dry and then neatly cut out the shape.

GRADIENT MOSAIC

Cut tissue paper into small mosaic tiles and, arranging them by color, glue them on the template with a glue stick. The pieces may overlap. Let them dry and then neatly cut out the shape.

EXAMPLES & TECHNIQUES 2

Cut, Color, and Glue - Easter

TORN TISSUE PAPER

Tear tissue paper into small pieces and glue them on the template with a glue stick. If you like, cut out the shape.

CRUMPLED TISSUE PAPER

If you like, cut out the template first. Tear tissue paper into strips. Crumple the strips into rough balls and glue them on with glue or a glue stick.

TISSUE PAPER BALLS

If you like, cut out the template first. Cut tissue paper into strips about 2 cm wide. Crumple the strips into small balls and glue them on with glue or a glue stick.

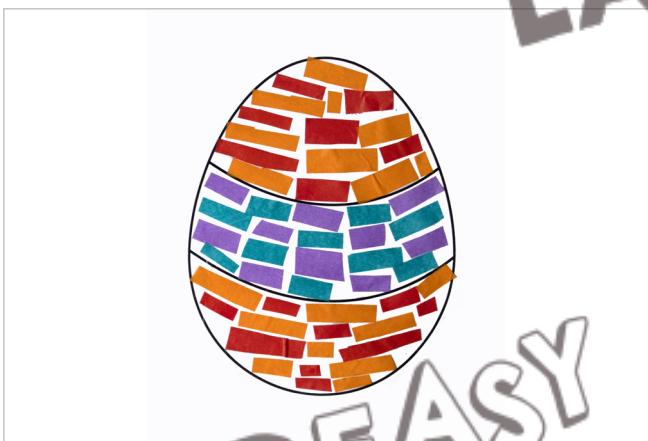

EXAMPLES & TECHNIQUES 3

Cut, Color, and Glue - Easter

TORN CONSTRUCTION PAPER

Tear construction paper into small pieces and glue them on the template with a glue stick. If you like, cut out the shape.

CUT UP CONSTRUCTION PAPER

Cut construction paper into small strips and glue them on the template with a glue stick. If you like, cut out the shape.

COLORFUL DOTS

Using your fingers or a small sponge, dab small circles on the template with finger paint or tempera paint. Let it dry and neatly cut it out.
