HOW TO DO IT

Pop-Art - Christmas Tree Decorations

1

Choose a motif and print it on heavy white printing paper.

2

Color in both parts - A and B - with colored pencils or felt-tip pens.

3

Cut along center line 4 to separate the parts.

4

Fold part A outwards along dotted line 2 and inwards along dotted lines 1 and 3. Do the same with part B.

5

Stick the middle sections of part A together. Do the same with part B.

6

Stick the two parts together.

7

Now you have a cross with eight sides.

8

Fold the glued parts flat and cut out the shape.

9

AWESOME! ... This is what your ornaments should look like. To hang them up attach a thread to them with a needle.

10

And now you have a collection of colorful Christmas tree decorations!
