OVERVIEW

# Cardboard-roll Creatures

# FOX

This little cardboard-roll fox is certainly no dangerous chicken thief. On the contrary – he's super sweet!

## MATERIALS

2 cardboard-rolls, card offcuts, beads, orange wool, glue, poster paint, brush, water pot, scissors

## HOW TO DO IT

①

Cut 1/2 inch (1 cm) deep slots into a card roll all around one end and push out the resulting tabs. Cut a second roll in half and glue it to the tabs. Paint the fox orange. Glue on a tail made from twisted wool.

②

Cut out legs and ears from colored or hand-painted cardboard and a white triangle for the nose. Glue all the parts to the body. Then glue two beads onto the face for eyes and one bead for the tip of the nose.

# BEAR

Brown bear, polar bear, panda – bears from all over the world are getting together for the big bear-moot!

## MATERIALS

Cardboard-rolls, card and paper offcuts, glue, poster paint, brush, water pot, scissors, felt-tip pen

## HOW TO DO IT

1

Paint a card roll with gouache or poster paints. Mix the gouache paints with a little water. Cut out arms, legs, and ears from card you've painted white, brown or black.

2

Draw the snout on white paper, cut it out and glue the arms, legs and snout onto the now-dried cardboard roll. Draw on the eyes, mouth, and nose. Cut a slot into each ear and slide them onto the top of the card roll.
